

5.F MARKETPLACE CUTOUTS

Print and cut out or draw the boxes below. These signs indicate how many "coins" a participant will earn (if any) when selling their catch at the marketplace. Remember, as the facilitator, you reward **5 "coins"** only to those participants with a **Red Dot** on their card. In contrast, you pay only **1 "coin"** for those participants with a **Blue Dot** variation. Participants with a **Yellow Circle** variation or a **Blue Dot** with a **Green Flower/Sun** do not have access to either market.
